GREETINGS FRIENDS OF CHRISTINA KENT,

**WITH RENEWED VISION WE MOVE
FORWARD FROM THE PAST INTO A
YEAR OF GREAT OPPORTUNITY AND
GROWTH.**

It is through the opportunity of building beautiful thinkers we shape a better future for Albuquerque. We know the importance of quality and affordable child care and embrace that it cannot happen without trained and supported educators. It is our amazing workforce that creates the reflective learning environment that pushes us forward.

We are excited for another year of excellence.

Our mission today is as true as it was 100 years ago.

2022 has brought stability. We are in a growth cycle filled with new families, children and the assurance of a future post COVID. The comfort of constancy provides us the opportunity to renew our commitment to the foundational vision and mission of Christina Kent Early childhood center.

Our teacher's say it best:

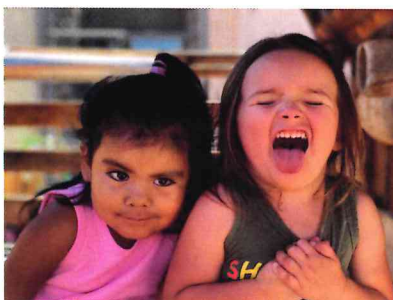

"We invite all cultures to a safe environment where all families feel welcome. We are a space of diversity."

"Tradition! We have a history of serving the students of working families."

"[CKECC] is a place where teachers and children genuinely learn, genuinely laugh, and genuinely love together on equal ground with equal respect"

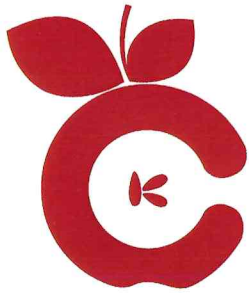

"We love that each child's story makes them unique."

Please hit the 'DONATE' button on our website.
You are appreciated.

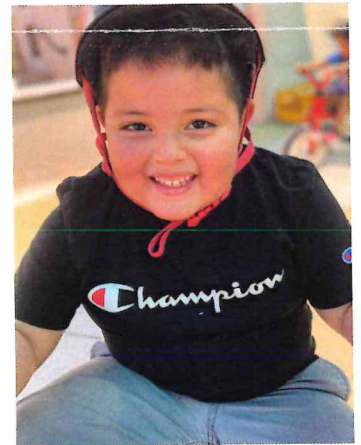

"[CKECC] is an intimate place, yet still communally shared by a group of people who wholeheartedly care about the children they serve."

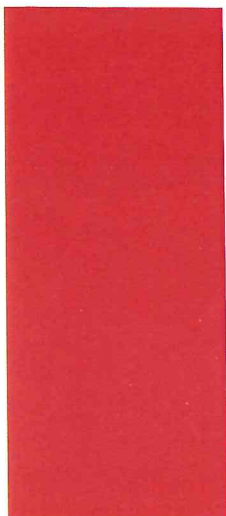

"Compassion, perseverance, smiles, hugs and fun."

"Each individual child's thoughts and actions are present in the classroom. Children build their own pathways and are free to explore different ideas."
